

# 2C CONSULTING

- How do you claim for wrongful termination?
- What are your chances of recovery on your delay claims?
- How do I prepare a delay analysis?
- When is the time to engage an expert for trial?

**CLAIM SOLUTIONS**  
The 2C Claims Solutions service aims to support our Clients when a claim is inevitable and there is a need to properly prepare claims. Our quantum and delay experts will meticulously sieve through the facts and present your claim in an unbiased manner that will provide you the maximum chance of success, ensuring that your rights are enforceable if the matter reaches dispute.

The service covers claims preparation through the use of delay and quantum analysis techniques:

1. Delay / Quantum Analysis
2. Expert Witness

**Do contact us if you need delay and quantum experts and we will match your needs.**
